Textbook Price Guarantee Details

- Textbooks must be purchased from BGSU Bookstore within the last 60 days.
- A valid BGSU Bookstore cash register receipt and the book must accompany all refund requests.
- Customer has until the last day of full refund return date for the term to apply for price guarantee refund.
- Price guarantee does not include coursepacks, custom publications or materials other than textbooks.
- Limit one refund guarantee per customer, per title.
- Guarantee applies to same title, ISBN, author, edition, and condition (new or used).
- Guarantee applies to regular posted retail price and does not include coupons, online textbook sellers or incidental sources such as flea markets, garage sales, and inter-student exchanges.
- Textbooks must be for current semester and immediately available at bookstores in Bowling Green or Huron, OH.
- All efforts will be made to verify competitor's price as quickly and effectively as possible. Allow 72 hours for verification of refund amount.
- Attach duplicate refund slip to upper right hand corner when complete
