## Assumption of Risk, Waiver, and Release from Liability Agreement to Participate Form

Volunteering or performing community service at Bowling Green State University may involve certain risks. These risks may include the following: Risk of property damage, bodily injury through the use of equipment, bodily injury from the activity itself or from the acts of others. Volunteers and service workers are expected to observe the rules of safety at all times.

Do you agree that you are volunteering or providing community service on your own behalf and release Bowling Green State University and all its affiliates from any and all claims, injuries, or actions arising from any activities in which you participate?
