

Did You Know?

In 2013, 523 schools competed in RecycleMania and CO2 emissions were reduced by 121,436 metric tons as a result.

BGSU recycled 227,892 pounds of cans, bottles, paper, and cardboard during the 8-week RecycleMania competition last year.

Make sure you help your residence hall reduce its waste and win prizes!

Like "BGSU Sustainability" on Facebook to see how we are doing in the competition and learn recycling tips!

The

Spring Edition Issue 2: February 2014

How much can YOU recycle?

CAMPUS CONSERVATION NATIONALS 2014
The largest electricity and water reduction competition for colleges

RECYCLE MANIA TOURNAMENT
A friendly competition among university recycling programs in North America.

On campus, residence halls will compete against one another with prizes awarded to hall that recycles the most.

The competition runs from Feb. 2. to Mar. 29.
