

Did You Know?

Americans use approximately 102 billion plastic bags per year.

What if we all used reusable bags?

Benefits of Reduce & Reuse:

- Prevents pollution by reducing need to harvest raw materials
- Saves energy
- Saves money
- Reduces greenhouse gas emissions
- Reduce waste that will be recycled, incinerated, or left in landfill
- Allows products to be used to their fullest extent

The Recycler

Spring Edition Issue 5: May 2014

When You Move Out, Don't Throw It Out!

WYMO Benefits over 25 local charities, food pantries and shelters every year!

Multiple tons of items get re-used and diverted from the landfill each year!

WYMO benefits agencies like:

- Habitat for Humanity
- Goodwill
- Better World Books
- Aurora Project
- And many more!

Donated items:

- Food
- Furniture
- Books
- Clothing
- Shoes
- Toys
- Household items
- Microwaves
- Refrigerators
- and much more!

Donate Now!

For the thirteenth year in a row BGSU students and staff will be collecting all unwanted food, household goods and clothing for the needy in the area.

YOU Can Make A Difference!

Where to Donate:

- Residence Hall Lobbies
- Student Union Entrance
- Greek Housing
- Outtakes

WYMO begins April 21 and runs through the end of the semester!
