RE: Resolution 2015/2016—03

On Monday, December 7, 2015 the Undergraduate Student Government Senate passed Resolution 2015/2016—03. The Resolution is a statement formally opposing the proposed Safe Campus Act as introduced to the House Committee on Education and the Workforce. The proposed Safe Campus Act could make it more difficult for sexual assault to be investigated on college campuses, as it requires students to report allegations of sexual assault to law enforcement before campus disciplinary action can be taken.

As the body representing the undergraduate student voice, we do not believe the proposed Safe Campus Act considers the best interests of undergraduate student safety. I have signed into effect the legislation that notes the Undergraduate Student Government's stance on this issue.
