

## Did You Know?

In 2012, BGSU reduced its GHG Emissions by 135 Metric Tons of CO<sub>2</sub>, which is equivalent to 27 cars off the road, or the energy consumption of 12 households.

In 2012, 605 schools competed in RecycleMania and 148,897 metric tons of CO<sub>2</sub> were reduced. RecycleMania began in Feb. 2001 when schools decide to do something to increase recycling in their residence and dining halls.

# The Recycler

Spring Edition Issue 1: January 2013

## Need More School Supplies?

Come to BGSU's reStore and get FREE school supplies and other things you need! The reStore is a place to swap and donate used items without the need of money to reduce waste.

You could save countless resources from being consumed and made into new products. Buy re-used! To learn more about the effects of consumerism check out The Story of Stuff: <http://www.storyofstuff.org>

The reStore is located on the second floor of Kreisher outside the Compton-Darrow side of the Sundial.
