Veteran’s Day 5K Donation Run

This Veteran’s Day the AROTC, AFROTC and the Student Veterans Association are hosting the first annual Veteran’s Day 5K donation run. On Veterans Day we memorialize the men and women of the US military who have fought and died for our country’s freedoms. Please come show your support and appreciation for our Veterans. (Donation Only) All participants are strongly encouraged to donate with all proceeds going directly to the Troop and Family Assistance Center. Memorial Hall, Wednesday, 11 November 11:00.

2015 BGSU Army ROTC Leadership Development Exercise (LDX)

BGSU Cadets commence training at Camp Sherman on September 25-27 2015. The training consisted of EST, HEAT, LRC, Land Navigation, and Marksmanship. Cadets learned valuable skills as Cadre conducted the following training:

(EST) The Engagement Skills Trainer is a simulator that provides virtual marksmanship training on all aspects of a firearm. Everything from calibrating weapons, to weapons qualification, to collective fire scenarios are practiced on the EST simulator.

(HEAT) The HMMWV Egress Assistance Trainer is a simulator designed to train Soldiers on the effects of rollover. The simulator improves a soldier’s ability to react properly during an emergency egress situation.

(LRC) In the Leader Reaction Course, each group has obstacles that challenge the team. Teams are given a set amount of time to receive an order, create a plan, issue the plan, and execute.

(Land Nav) Land navigation includes the ability to read maps, use a compass, and other navigational skills.

(Marksmanship) Each Cadet learns the fundamentals of BRM, and facilitates the mechanical zeroing process. Learning to group, zero, and qualify on a M16 rifle.
BGSU Alumni
