MMHS

Student Lead Conference Questions

9th Grade

Transition to High School

Tell me about the transition from Middle School to the High School both socially and academically. Has it been hard or easy?

Attendance History

Write about your attendance at Middle School and now at the High School. Has it been good or bad?

Has there been an impact on your school performance because of your attendance? How?

Academic Achievement/Progress Report

Do your grades reflect your ability? Why?

What does “attitude” have to do with grades? Do you have a great attitude?

Give one example of a class that stands out and one in which you might have struggled. Explain why you liked the class and why you might have struggled in the other one.

Are there places for improvement and what is your plan to improve? Write down two things you could work on that would improve your grades/learning.

What examples do you have for Quality and Best Work? Write down what they are.

Pathway Assessment Results

What is your Learning Style? Do you agree? If not, what is your learning style? Is it a mixture of styles?

What is your Behavior Style? Do you agree? If not, what is your behavior style?

What is your Meyers-Briggs Personality Type? Do you agree? If not, what is your personality type? Did you have close numbers on the assessment? What area?

Future Plan

F Do you have a career or job in mind or are you undecided? What is it?

W What classes do you need to take in high school to get into that career or job?

c What are the educational requirements beyond high school that you need for this career or job? Think of your WOIS or KUDER career searches in your options classes.

MMHS

Student Led Conferences

9th Grade Format

Conferences will be held the week of March 10th –13th between 8 AM and 9:50 AM in your advisory room.

Students should have read and answered all questions on the student question sheet.

The student's presentation should be between 6-8 minutes.

Students will be present their answers to the teacher or in front of the class.

Students should have their portfolios with them and refer to them as needed.

The teacher will simply check off whether or not the student addressed each item.

The teacher may ask for more information or ask for the student to expand on any ideas that they present.
