Finding the Xbox 360 MAC Address

1. Go to the System Settings area of the Xbox Menu.

2. Select Network Settings.
3. Go to Configure Network.

4. Go to the Additional Settings tab and select Advanced Settings.
5. At the bottom of this screen you'll see a heading called Wired MAC Address.

6. Once you have registered your Xbox 360 with the BGSU network, you can now connect to Xbox Live the same way you would at home.
