

Academic Assessment for Success

Yes	No	
		Did you familiarize yourself with your course syllabi, including assignment due dates, attendance and classroom policies, grade rubrics, and course learning outcomes?
		Did you go to class regularly?
		Did you participate in classroom discussions? Did you ask questions as they occurred to you?
		Did you have a system in place for note taking and for organizing your course materials?
		Did you have an up-to-date academic planner?
		Did you manage your out-of-class time in a way that kept you up to date on assignments, readings, projects and quizzes and exams?
		Did you (remember you are taking an honest assessment here) put in the time and effort necessary IN EACH CLASS to achieve your academic goals?
		Did you submit work on time, and follow assignment directions completely?
		Did you seek help, BEFORE you thought you needed it, or as soon as you knew you needed it?
		Did you speak with your instructor about your class performance, and seek advice?
		Did you seek academic assistance from the Learning Commons?
		Did you utilize study groups?
		Did you visit your instructor during office hours?
