

After reviewing your application to BGSU, I am pleased to offer you admission to BGSU through the Pathway Program. Your next step will be to submit this form at [bgsu.edu/pathwayagreement](https://bgsu.edu/pathwayagreement) and then your BGSU admission certificate with important information on next steps will arrive in the mail. You won't be accepted to BGSU until you submit this form.

There are many benefits to the Pathway Program, including small class sizes, individualized support from your academic advisor and full-time faculty dedicated to providing you support to ensure your success during your first year at BGSU. In addition, you will live on campus and enjoy BGSU student life for a reduced tuition price (see enclosed sheet) as you work toward graduating in four years.

This exclusive offer is based on your credentials for admissions. As you may know, the general admission requirements are a 2.5 cumulative high school GPA and a 20 ACT or 1040 SAT. Not everyone is asked to participate in Pathway if they did not meet our minimal credentials, but I am impressed with your application materials and your potential for college success, and want to offer you one of the 300 available spots in the program. Returning the Pathway agreement form online will reserve your spot in the program while you are finalizing your college selection and allow financial aid to determine your offerings if you plan to file the FAFSA.

What's next? Complete the online form at [bgsu.edu/pathwayagreement](https://bgsu.edu/pathwayagreement) as the first step to secure your spot. Once this step is completed, you will receive additional information on important next steps and how to commit to BGSU once you have made your final college decision.

If you have questions about the Pathway Program, please call to speak to an admissions representative at 419-372-2478. Meanwhile, continue to check your email for information about housing and next steps. We are excited to welcome you to the Falcon Family!

Sincerely,

Adrea Spoon  
BGSU Director of Admissions
