Log into MyBGSU. Select “Student Center”.
On the right hand side of the page, you will see a blue box with the heading “Advisor”. In this box you will see the name(s) of your advisor(s). All students will be assigned an advisor within their college; some students may have multiple advisors for various programs across campus.
You can contact your advisor at the phone number listed under his/her name in the blue box.

Additionally, you may click on “details” and select an advisor’s name to email him/her.
If you do not hear back from your advisor in a reasonable timeframe, please contact your college office at the phone number or email address listed below. Keep in mind that advisors work during business hours, Monday-Friday from 8-5, and response times may be slower over weekends and during holidays.
