Treasures to the RMH

As you already know, the balance from your PNC VISA gift cards totaled over $1,000. This money was used to purchase wish-list items for the Ronald McDonald House of NW Ohio. We’d love to hear about your business plan stories for RMH. Please let us know what you did in your school/community.

The Perrysburg St. Rose parish and school combined energies to gather needed items, which they delivered in November to RMH. Campers from St. Rose are collecting pull tabs and graphing the results monthly in their math classes. In the first month, the total weight of the tabs was 32 pounds!! Keep up the good work!
