With our 23 month PMBA program, BGSU positions you for success with a two evenings per week class schedule for current business professionals. Unlike most area MBA programs, BGSU’s Professional MBA program has a selective admissions process and builds a cohort of experienced working professionals. Candidates must have a minimum of three years professional work experience, above average admission test scores, and a strong previous academic record. These motivated and dedicated individuals move through the program as a cohort, working together to maximize one another’s personal and professional development.

> Program can be completed in 23 months of part-time study
> Evening classes meet twice a week from 6 – 9 p.m.
> Conveniently located at Levis Commons in Perrysburg or The Community Education & Wellness Center in Findlay for access throughout northwest Ohio
> Twelve required classes, two of which may be waived for students who have satisfactorily completed comparable courses
> Students learn from and with other experienced leaders. Course content adds value on the job.
> Selective admissions process guarantees all class members will be qualified, motivated, and experienced
> Curriculum focuses on strategic management in an evolving business environment
