

Welcome the New Year with New Sustainability!

ReStore Events

Check our website for event dates to pick out clothes, school supplies, and more for free from the Campus ReStore!

New Location: Across from Life Science building through sliding glass doors

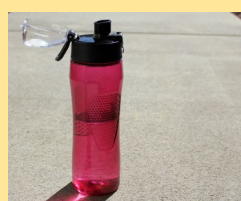

New Year, New Semester, New Sustainability Hacks!

• Instead of tossing clothes when cleaning out closets, donate them to local second-hand stores, like the ReStore!

• Start bringing reusable bags to the grocery store as a New Year's Resolution. Better yet, keep a few handy in your car for any future errands. Contact us for free bags!

• Use reusable water bottles!

Picking out a water bottle from the ReStore could save an average of 156 plastic bottles per year!

Upcoming Events

this Semester:

• **SLC - Sustainability Leadership Certificate**

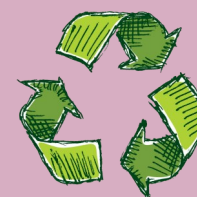

Campus Sustainability is partnering with the Marvin Center to offer sessions that will earn you a Certificate in Sustainable Leadership!

• **Earth Month**

April is Earth Month! Stay tuned and be prepared for events throughout the month of April to celebrate our Mother Earth!

CAMPUS RACE TO ZERO WASTE

From January 31st to March 26th, BGSU will be participating in the annual Campus Race to Zero Waste. Look for announcements or check our website for more details. Help further BGSU's goal of Waste Reduction!
