

# EARTH MONTH 2023

## SATURDAY, APRIL 1

### Electronics Recycling Drive

9 AM - 1 PM | Slater Family Ice Arena  
Parking Lot

This is your chance to recycle a wide variety of old, outdated, unwanted or broken electronic devices! For more details on acceptable items visit:

[bgsu.edu/ewaste](https://bgsu.edu/ewaste)

## MONDAY, APRIL 10

### When You Move Out, Don't Throw It Out - Kickoff

Residence Hall Lobbies, Greek Townhouses, Union Lobby, BGSU Dining Market locations

Donate clothes, non-perishable food, and anything still usable to benefit those in need in WYMO collection boxes!

For more details on acceptable items visit:

[bgsu.edu/wymo](https://bgsu.edu/wymo)

## APRIL 10 - 14

### Environmental Messages Tour Live

Take a walking sustainability tour at your leisure. Look for the orange A-frame signs throughout campus with informative environmental messages about our buildings, landscaping, operations and outdoor features.

## TUESDAY, APRIL 11

### Forest Bathing

4:15 PM | Doyt Hill by the Stadium

Want to relax, unwind and connect to nature? Forest bathing (which doesn't actually involve bathing) is a Japanese form of "eco-therapy" that offers an antidote to tech-boom burnout and enables you to reconnect with and protect nature.

**BGSU**

Office of  
**Campus  
Sustainability**

BOWLING GREEN STATE UNIVERSITY

## WEDNESDAY, APRIL 12

### Annual Eco Fair

10 AM - 1 PM | Union Oval

Come check out environmental information tables and displays! See live animals (Bald Eagle, Hawks, Owls, reptiles, flying squirrel, etc.), try slack-lining, grab a free plant, see a Tesla or other electric vehicles, and more! It is all free!

## THURSDAY, APRIL 13

### The Geological Mysteries of Climate Change (Presentation)

6 PM | Central Hall 101

BGSU Assistant Professor of Geology, Dr. Chris Lepre shares the science behind the hidden variables of climate change, and unravels the mystery of how it may impact our societies, water security, agriculture, and wildlife ecosystems.

## FRIDAY, APRIL 14

### Friday Night Lights

6:30 PM | Union Theatre

This is the last chance for the year to reduce energy usage and our carbon footprint by turning off lights in buildings. Registration is required. To register:

<https://bgsu.givepulse.com/event/366886>

## THURSDAY, APRIL 20

### Tree Planting

1 PM

Help us plant a row of native Ohio pine trees! Registration is required. To register:

<https://bgsu.givepulse.com/event/365157>

## FRIDAY, APRIL 21

### Bloomfest

5 PM | University Hall Lawn

Free music, food, educational tables, games, fire pit tables and more! Don't miss this annual event sponsored by Environmental Action Group!
