Turning a *new leaf*

BGSU Campus Sustainability Month

Thursday, October 9 and Friday, October 24

Campus ReStore Event, McDonald Hall Annex, from 12 - 2 p.m. and 2 - 4 p.m.

The Campus ReStore is ready for harvest! Regular rules apply: BGSU ID required, one reasonably sized reusable bag. Bring your own bag, please! Register as a store volunteer or sign up for a time to help with sorting on BGSUserver (see QR code for links).

Saturdays, October 11 and 18

Green Game Day, Multiple Shifts Available

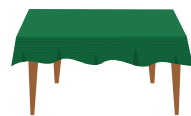

Join us at the football games! Volunteers will drive golf carts, interact with the BGSU community and help distribute recycling bags, as well as picking up full bags. Reduce waste, increase recycling, and have fun! Signup for shifts required on BGSUserver.

Monday, October 13 and Friday, October 31

Union Tabling Takeover from 11 - 1 p.m. and 10:30 - 12:30 p.m.

Check out all the student organizations dedicated to promoting sustainability and environmental service projects at the same time. It's a green group table takeover!

Tuesday, October 14 and Thursday, October 23

Tree Plantings, from 1 - 2:15 p.m.

Fall is tree planting season, and what is more sustainable than a beautiful tree? Volunteers will join in the planting of multiple trees. Your impact will serve to sequester carbon and produce oxygen for years to come at BGSU! Supplies will be provided. Signup on BGSUserver required, locations will be provided.

Monday, October 20

Game Night with EAG | Central Hall 112 | 7 - 8:00 p.m.

We're joining Environmental Action Group for a fun and informative evening of trivia focused themed around sustainability and environmental action! Test your knowledge and compete for glory and the top prize.

Sunday, October 26

Fall Bike Ride Tour with OAC | Slippery Elm Trail | 1 - 4 p.m.

Tag along with us and members of Outdoor Adventure Club for a Group Bike Ride! Bring your own bike as we appreciate the ecosystems of the area and immerse ourselves in nature. Meet at the BGSU Bike Garage -- RSVP on BGSUserver! (see link at the QR code)

Thursday, October 30

Lunch & Learn with Dr. Ian Young | BTSU 207 | 11:45am - 1 p.m.

Indigenous Wisdom, Environmental Movements & Global Connections

Incorporating themes from "Braiding Sweetgrass", Dr. Ian Young shares his research on indigenous environmental perspectives, particularly that of the Māori, and presents about his time in Aotearoa-New Zealand as a visiting scholar at the University of Otago's Centre for Sustainability. Join us for free food and the charismatic warmth of one of BGSU's most beloved professors.
