Specialization Notes:

BSBA ADMISSION (Must be met by 45 Hours)

BSBA admission requirements are:

- (i) Completion of MATH 1260, or 1310, or both 1340 and 1350 with a C or higher
- (ii) minimum 12 BGSU hours that count toward the degree;
- (iii) minimum 2.50 BGSU cumulative GPA;
- (iv) completion of four or more of the following courses with at least a C within 45 credit hours—ACCT 2210, ACCT 2220, ECON 2020, ECON 2030, STAT 2110, STAT 2120, BA 2030, MIS 2000. However, all of the courses in the admission core must be completed

MATH requirement also satisfies Quantitative Literacy requirement

Admission decisions are made three times each year. All pre-business students with 45 hours toward the degree are reviewed for admission.

BGSU students planning on transferring to the BSBA program must apply for College entrance and pre-business status within 45 hours toward the degree or, in the case that 45 or more hours are transferred from another institution, upon completion of 12 BGSU hours toward the degree.

NOTES:

Students who do not achieve BSBA admission in the admission review are placed on conditional standing for one semester or 15 credit hours to satisfy BSBA admission requirements. Pre-business students on conditional standing may take 3000-level business courses, subject to completion of prerequisites, but may not take 4000-level business courses.

Students who do not achieve BSBA admission after the conditional semester will not be permitted to take 3000-or 4000-level business courses and must pursue other degree programs offered at BGSU or another institution.
