**Preparation for the Internship Application**

1. **GPA:** A GPA of 3.0 or above by graduation is recommended to have a better chance of being accepted into a Dietetic Internship Program.
2. **Work Experience:** Most internship sites demand work and/or volunteer experiences related to dietetics as part of the application credentials. Work/volunteer experience is recommended throughout the academic program as well as during the summer.
3. **Recommendation Letters:** Usually, three recommendation letters are required. It helps to build up favorable work relationships with supervisors and professors on a long-term basis. It is helpful to have a recommendation letter from a work-related registered dietitian.
