Fall 2017 | B.S. in Technology - Mechatronics Engineering Technology

Due to the cooperative education requirement, in order to complete this program in four years, it is necessary for the student to either enroll in co-op hours or coursework during the summer as well as during the academic year. If a student is not able to do so, this program will take five

years to complete.

BG PERSPECTIVE (BGP) REQUIREMENTS:	Courses Required for Major	
Course Credits	Cooperative Education	12 Hrs
Must complete at least 1 course in each of the following:	ТЕСН 2890 Со-ор	4
English Composition and Oral Communication	ТЕСН 3890 Со-ор	4
	TECH 4890 Co-op	4
Quantitative Literacy	Concentration	57 Hrs
	ECET 1960 Electrical-Electronic Systems	3
	ENGT 1100 Computer Aided Design	3
Must complete at least 2 courses in each of the fellowing	ECET 3490 Digital Computer Analysis	3
Must complete at least 2 courses in each of the following:	ENGT 2400 Stat/Strength of Mat	3
Natural Sciences Social and Behavioral Sciences	ECET 2400 Electronic Circuits	3
	ECET 2410 Electronic Circuits	3
	ECET 2490 Dig Elec Comp & Sys (prereq ECET 1960)	3
	ECET 3000 Electrical Machinery	3
	ECET 3100 Prog Logic Controllers	3
	ECET 4530 Dig Comp Proc Cnt	3
	ENGT 1020 Intro to Technology	3
	ENGT 2200 Met Mtl's & Proc	3
	QS 3710 Six Sigma Systems OR	3
	QS 3550 Foundations of Lean	J
	ENGT 4280 Auto. & Flex. Man. Sys.	3
	ENGT 4500 Design Methodologies	3
Complete total required BGP credit hours by selecting courses from any of the above categories:	ENGT 2100 Solid Modeling	3
	ENGT 2480 Dynamics	3
	ENGT 2460 Byffamics ENGT 3480 Thermodynamics	3
	ECET 4410 Instrumentation	3
	Loci 4410 instrumentation	J

Matriculation courses are shown in BOLD PRINT and must be completed with a grade of C or better.	Important information on the b	oack.

College of Technology, Architecture and Applied Engineering General Information for all students in the College

In addition to completing all requirements on the checksheet, students are responsible for:

Matriculation

Full admittance to a major in a College of Technology, Architecture and Applied Engineering program will become effective when a student has:

- Attained an overall BGSU grade point average of at least 2.25 for all courses taken prior to applying for matriculation and a 2.5 in courses in the major;
- 2. Completed a cooperative education experience—TECH 2890 (Aviation Studies, Architecture, LDT and QS majors are exempt from this requirement);
- 3. Completed with a grade of "C" or better in all bold courses, as specified on program checksheets;
- 4. Applied for matriculation. Applications are available from the Undergraduate Student Services Office.

The steps listed above must be completed before students will be permitted to register for 3000- and 4000-level courses in the College of Technology, Architecture and Applied Engineering.

Co-op

All students in the College are required to complete 2 or 3 co-ops, depending on your major. THIS IS A COURSE. It carries credit and is graded. It is full time (40 hrs/week) for the entire semester or part-time (20 hrs/week) for two consecutive semesters, paid and must be directly related to your major. All students MUST complete the Co-op Orientation available in Canvas.

Email

Official University email accounts are required for all BGSU students. Official BGSU email addresses are in the form: BGSUusername@bgsu.edu. At the time of admission or initial registration, all students will receive a bgsu. edu email account. Students may anticipate that official University correspondence will be sent to this email account and they should access BGSU email on a regular and timely basis. All correspondence from Undergradute Student Services will be sent to your BGSU email.

Checksheet

The checksheet should be used in conjunction with the degree audit and advising to track progress toward degree completion.
