Any substitution or waiver of courses required for your major or minor program <u>must</u> originate in the department/school offering the major or minor and <u>must</u> be approved by the College Office.

To ensure a timely graduation, see a *College Advisor* during the semester prior to your intended graduation.

Remember to complete an **Application for Graduation** by the end of the second week of classes during the fall semester or spring regular session, or by the end of the first week of the summer semester. For the specific dates, check your DARS. You may log onto MyBGSU to complete the online application. After the deadlines, you will need to complete an application in person in the College Office.
