Other classes may be substituted after meeting with advisor

For students planning on pursuing the Bachelor of Allied Health Science (Allied Health Cognate) a minimum of 29 hours (marked •) are required for the cognate. Where electives exist, courses marked # are required in the degree program. For BIOL and CHEM, see specific program requirements on the check sheet.

For students planning on pursuing the Bachelor of Science Advanced Technological Education degree program, a minimum of 36 hours are required for the technical concentration. Where choices exist, courses marked * are required.

Courses marked ^ are general education courses. With careful selection, they may be applied to general education requirements of a bachelor's degree.

Each student must complete a sufficient number of electives to earn a minimum of 62 semester hours. At least 15 credit hours must be BGSU courses. Please check with your advisor for appropriate course selections.
