Important Information

This is a competitive program. **Your GPA is critical!** Meet with your advisor at least once per semester to ensure you are on track. The name of your advisor is in your MyBGSU account.

Be sure to read course descriptions on the BG homepage under “Academics.” These tell you which courses are prerequisites for subsequent classes and whether the course contains a field experience or other necessary information.

**Master of Academic Proficiency:**

As part of our licensure and accreditation requirements, BGSU must document each teacher candidate's academic proficiency on a nationally-normed achievement measure. To successfully transition from pre-major to major, all teacher candidates will need to have evidence of academic proficiency in each category (you can use test scores from different test types, i.e. Reading and Math from ACT and writing from Praxis CORE). Please note that the change in status (pre-major to major) is based on enrollment capacity and candidates’ qualifications across several criteria, including Measures of Academic Proficiency. Consequently, the Target Minimum Scores (listed below) are used as guidelines in final decisions about program admissions; scores above the Target Minimum Score will strengthen candidates’ application, but candidates with scores below the Target Minimum Score also may be considered for program admission based on faculty review of all criteria.

### Dispositions:

**Professional Dispositions** are the personal attitudes, values, beliefs, ethics, and actions that create an environment of trust, learning, and growth in campus, school, and community settings. Dispositions influence how others, including students, peers, colleagues, instructors, staff, supervisors, and community members, perceive and respond to candidates. Dispositions will be assessed and re-mediated as needed throughout a teacher candidates program of study.

### Eligibility for Professional Year Internship:

A passing score on all required Ohio Assessments for Educators (OAE) as determined each year by the Department of Education is required to be eligible for the Professional Year Internship (student teaching). (Note: OAE test requirements are subject to change, so continue to check with your program and the Ohio Department of Education for updates).
