Student also needs at least 27 hours (9 courses) of literature electives, distributed according to the table below. No more than 12 hours may be at the 2000-level. At least 10 hours must be at the 4000 level.

In the table below, circle the courses that you have completed. A course may be counted only once in the table. For example, ENG 2110, ENG 2120, and ENG 2750, appear in the American literature row in two time periods (1660-1900 and 1900-present), and ENG 4080 appears in the British literature row in two time periods (Before 1660 and 1660-1900). However, they can be used for one or the other but not both. Select the time period advantageous to you. 4000-level seminars may count for distribution requirement.

Please consult an advisor for proper placement of a topics course.)

### Special Studies Option: A maximum of two non-literature courses may be substituted for literature electives. These must be approved by the English advisor and require a course substitution form. An exception must be recorded in DARS. These courses will typically fall in the Other row/column.
