

HUMAN DEVELOPMENT AND FAMILY STUDIES (HDFS) MINOR

School of Family and Consumer Sciences
College of Education and Human Development

Spring 2016

21 SEMESTER HOURS

The minor in Human Development and Family Studies (HDFS) is designed to offer students an introduction to family studies courses in addition to a broad understanding of human development across the lifespan as well as focused coursework in a specific developmental age. Students gain a greater understanding of contemporary family systems, development, and challenges through a strengths-based perspective.
