**Notes:**

1. All LDT Major Courses must be completed at BGSU.
2. A grade of C or better is required for all LDT Major Courses.
3. *Professional Electives courses are selected in consultation with an LDT advisor.
4. **These courses may be used to meet BGP requirements, but hours are only counted once.
5. The LDT Program requires a 36-hour cognate (area of applied, technical courses), which typically is transferred from an accredited associate degree. Combined, these technical and/or applied courses must demonstrate proficiency in a recognized, technical area. In the event that there are fewer than 36 hours to complete a cognate, an LDT advisor will approve courses to fulfill his requirement.
