RECOMMENDED MINOR**

15-33 HRS

• A minor is recommended since completion of all TLEP coursework on this checklist results in fewer than 122 hours, the minimum number of hours required for graduation. Minors in General Business, International Business, Entrepreneurship, Journalism, and Marketing are suggested. Any other minor must be approved by your academic advisor and Program Coordinator. If, after completion of TLEP requirements and the minor requirements a student has not met the 122 required hours, they must meet with their academic advisor to determine appropriate classes to reach the required 122 hours.

** The total number of hours earned in the College of Business Administration courses may not exceed 25 percent or 30 hours of the 122 needed for graduation, counting the major and minor (six hours of STAT and nine hours of ECON are exempt from this limitation).
