This degree program is designed to be completed in 4 years. Changing majors, academic issues, or other unforeseen circumstances may require additional semesters for completion. Official degree requirements are found in the student's Degree Audit within MyBGSU.

Preparation for the Internship Application

1. **GPA:** a GPA of 3.0 or above by graduation is recommended to have a better chance of being accepted into a Dietetic Internship Program.
2. **Work Experience:** Most internship sites demand work and/or volunteer experiences related to dietetics as part of the application credentials. Work/volunteer experience is recommended throughout the academic program as well as during the summer.
3. **Recommendation Letters:** Usually, three recommendation letters are required. It helps to build up favorable work relationships with supervisors and professors on a long-term basis. It is helpful to have a recommendation letter from a work-related registered dietitian.
