INFORMATION FOR PERFORMANCE STUDIES MAJORS | CHURCH MUSIC SPECIALIZATION

Acceptance as a Performance Major requires written approval from the appropriate area coordinator.

UNDERGRADUATE CATALOG

All degree requirements are stated in the UNDERGRADUATE CATALOG. You are responsible for knowing them, so please read the catalog carefully. Highlights from that document appear below.

SOPHOMORE PERFORMANCE REVIEW

At the end of the fourth semester of applied lessons, students are evaluated during the jury exam for advancement to upper division applied study (4000 level). If a student does not pass this Sophomore Performance Review, the student may enroll again in 2000 level applied study the following semester and may take the Sophomore Performance Review again. Written comments describing issues that need to be addressed and a remediation plan will be provided to the student. A student who fails the Sophomore Performance Review a second time will be denied future registration in applied instruction. However, students may re-audition for entrance into applied study by submitting a request for audition during one of the scheduled College of Musical Arts audition days. Students should consult their applied instructor for any specific performance requirements for the Sophomore Performance Review.

SENIOR RECITAL

At least one full recital is required of all performance studies majors. This is usually given in the senior year. Permission to perform the recital is granted by the appropriate performance studies faculty and is based upon the student's performance at a recital jury. A student must be registered for applied study during the semester in which the recital is presented, and must register for MUSP 4950 (Senior Recital).

THEORY: Some students may be required to enroll in MUCT 1130 or MUCT 1150 pending results of the Freshman Placement Examination

PIANO PROFICIENCY: Students are required to prepare one Baroque, one Classical, and one Romantic or contemporary composition, one of which is to be memorized. The exam is scheduled through the keyboard coordinator. This requirement does not apply to harpsichord, piano, or organ emphasis students. Some students may be placed in class piano (MUED 1500 or 1510) prior to applied piano (MUSP 2610/4610).

WRITING PROFICIENCY: Please see the catalog regarding placement and/or prerequisites to GSW 1120.

SPECIAL SCHEDULING CONSIDERATIONS: A number of courses required for the various performance degree options are only offered every other year and must be carefully scheduled by students in consultation with the advisor. The following courses fall into this category: MUSP 2100-2110; 2150-2160; 3120, 3670-3680; 3960-3970; MUCT 3080-3090; 4030-4040; 4070-4090; and 4120.
