Entrance to the College of Business Administration is selective. Students are responsible for adhering to all College and University requirements and policies as stated in the Undergraduate Catalog at www.bgsu.edu/catalog/.

* Complete with a letter grade all courses that satisfy the mathematics and statistics requirements, all ECON courses counted toward the degree, and all courses in the cognate area.

** See Department of Economics

** A minimum of 40 hours in courses numbered 3000 and above is required.

# Quantitative Literacy is satisfied by the Mathematics requirement.
CALCULUS PREREQUISITES

Students may need to complete one or more math courses prior to taking the calculus requirement. Calculus prerequisites may include MATH 1200, 1220, 1280 and 1300. No more than 3 hours of MATH 1200 count toward the Bachelor of Science in Economics degree. See course prerequisites at www.bgsu.edu/catalog/.

APPROVED UNIVERSITY BG PERSPECTIVE COURSES

Effective for Fall 2000 or later checksheets, only courses from the current approved University BG Perspective Curriculum list may be used to fulfill specific BG Perspective requirements. The current approved list is available in the College Office, 253 Business Administration building, and is listed on the student’s degree audit.

**Note:** At least one course from either Social & Behavioral Sciences or Humanities & Arts must be an International Perspectives course, indicated with an asterisk (*).

WRITTEN AND ORAL COMMUNICATION REQUIREMENT

There is a written and oral communication requirement for the Bachelor of Science in Economics degree. Details of this requirement are available in the Department of Economics Office. This requirement must be completed by obtaining signatures from faculty indicating that the requirement has been satisfied. The signature must be on the form obtained from the Economics Department in 3002 BAA.

NOTES:

- The checksheet should be used in conjunction with the degree audit and advising to track progress toward degree completion.
- For the BS in Economics, students must complete with a letter grade all courses that satisfy the mathematics and statistics requirements, all ECON courses counted toward the degree, and all courses in the cognate area.
- Students are required to take one of ECON 4010 or 4020. Of these, ECON 4020 is offered every fall while ECON 4010 is offered on demand. Students should check if ECON 4010 is likely to be offered before deciding to NOT take ECON 4020.
- For scheduling purposes, note that two courses satisfying requirements are only offered once a year. ECON 4730 (a required course) is only offered in the fall semester. Students participating in co-ops, internships, or study abroad should plan when they are going to take this course.
- See Department of Economics Chair for consultation and approval of cognate concentration.
- No more than 3 hours of Math 1200 count toward the BS in Economics degree.
- CBA strictly enforces prerequisites. Check for prerequisites at www.bgsu.edu/catalog.
