\*\*Can also be used to fulfill one of the electives in BG Perspective requirements.

All interior design core courses offered through the interior design program must be completed for a letter grade requirement. Faculty strongly encourage interior design majors to complete a work co-op as this greatly improves employment opportunities upon graduation. Completion of all coursework on this checksheet results in fewer than 122 hours. A minor is not required; however, students should choose to complete their electives by selecting courses which reinforce their major. ID students may also choose a minor to complete the minimum hours required for graduation. See University catalog for possible minors on the web at [www.bgsu.edu/catalog/minors.html](http://www.bgsu.edu/catalog/minors.html). At least 30 credit hours must be BGSU courses.

Degree Audit Report (DAR) is available on MyBGSU.  
 This is an unofficial record of a student's progress.
