CORE ELECTIVES (20-21 hours)

Students must complete an approved minor with at least 20 credit hours (students may not count courses in the Program Core Courses as a part of the 20 hours for the minor requirement) or select 20 hours of electives from the suggested list – minors and courses appear on the back of this form. (S/U option not permitted in core electives)

PRACTICUM (Required) (12 hours)

9	_____	_____ CRJU 4910 Practicum
3	_____	_____ CRJU 4920 Practicum Seminar

A grade of "C" or higher is required in all program core courses and core electives.

Students must have a 2.50 GPA in order to graduate with a degree in Criminal Justice.

College of Health and Human Services
Bowling Green State University
 419-372-8242

1. Students can graduate within four years (8 semesters) if they are admitted to the Program at the end of their freshman year AND they make adequate arrangements to undertake the practicum (field placement) during a regular academic term. Most students opt to do their internship over a summer, either between junior and senior years, or after they complete all their course work. This option will result in program completion in 9 semesters.
2. No "D" grades will be accepted in the Core or Core Elective categories.
3. The final 30 credit hours of coursework must be taken at BGSU.
4. Check prerequisites carefully. All prerequisites will be required to be completed.
5. Substitutions will be made only with the approval of your faculty advisor and require a blue program change request.
6. The practicum (CRJU 4910) requires a minimum of 480 hours with an agency in the field and is scheduled after completion of the junior year. Concurrent enrollment in other courses is permitted only with Director's permission.

Approved Minors and Pre-approved Core Elective Courses

Students must complete one of the approved minors with at least 20 credit hours (students may not count courses required in the Program Core Courses as part of the 20 hours for the minor) OR any combination of the pre-approved core elective courses totaling 20 hours or more. Suggested grouping of courses for different interest areas can be obtained from the Program Office. If you are interested in taking any courses other than those listed here, you must receive your faculty advisor's approval by completing a blue program change request.

MINORS:

- Accounting
- Computer Science
- Management Information Systems
- Political Science
- Psychology
- Sociology
- Any Foreign Language
- Military Science
- Aerospace Leadership
