Variable Notes

1. This is a constructed variable that does NOT correspond with a question from the questionnaire.

2. MIDUS II allows for 21 persons to be mentioned in the household roster. Frequencies are only shown for the first household member.

This project was supported with a grant from the U.S. Department of Health and Human Services, Office of the Assistant Secretary for Planning and Evaluation, grant number 5 U01 AEO00001-04. The opinions and conclusions expressed herein are solely those of the author(s) and should not be construed as representing the opinions or policy of any agency of the Federal government.
