Incarceration

Variable Notes

- 1 Documentation:** For those variables asked of respondents and found in the data dictionary, the key concept label is used to identify their documentation location; otherwise, the questionnaire section name is given.
 - 2 Non-household setting** would include a correctional institution (jails, prisons, etc.), a home for the aged, a mental institution, a nursing/convalescent/rest home, or some other home or hospital providing specialized care.
 - 3 Unedited Variable:** This is an unedited field and the universe is not exact.
