

# National Survey of Midlife Development in the United States II (MIDUS II), 2004-2006

## Older Adult Family Relationships

### *Variable Notes*

- 1 This is a constructed variable that does NOT correspond with a question from the questionnaire.
- 2 MIDUS II allows for 21 persons to be mentioned in the household roster. Frequencies are only shown for the first household member.

This project was supported with a grant from the U.S. Department of Health and Human Services, Office of the Assistant Secretary for Planning and Evaluation, grant number 5 UO1 AE000001-04. The opinions and conclusions expressed herein are solely those of the author(s) and should not be construed as representing the opinions or policy of any agency of the Federal government.
