These next questions are about marriages and marriage-like relationships. In a marriage, there may be times when a husband and wife live in different households. In this study we define a marriage-like relationship as a sexual relationship in which partners establish one household and live together. When we talked to you during our last interview in [DLI], you were in a marriage-like relationship with [DLI PARTNER) at that time.

So just to check, you are still living with this partner in a marriage-like relationship where you have established one household together?
 Yes
 No

05-12

What is the current status of your relationship with this partner? (How did this relationship finally end?)
 Break-up
 Annulment, nothing legal
 Legal separation only (no legal divorce)
 Legal divorce
 R & spouse/partner are still together, but not living together
 R & Spouse are still married, but do not live together

05-12

At the time of the last interview, you said you were dating [NAME]. What best describes your current relationship with [partner at the last interview]?
 We are still dating
 We are married
 We are currently living together, but not married
 We are no longer together

05-11

What best describes your current relationship with [dating partner/spouse]?
 We are still dating
 We are married
 We are currently living together, but not married
 We are no longer together

05-11
