Becoming a Father before First Marriage: Variation over Time by Educational Attainment

Krista K. Payne • Social Science Data Analyst • kristaw@bgsu.edu

Proportion of fathers with a child born prior to first marriage by marriage cohort and educational attainment

Source: National Survey of Family Growth, 2002 and 2006-10

Note:
“Some College” refers to men who have attained some education after high school but have not earned a Bachelor’s degree.
