MAJOR OR MINOR IN FRENCH

Career opportunities
Business, communications, education, hospitality, government, social services & more.
As a double major, French adds a practical, international credential to any field of study.

21st century skills
Global awareness: greater understanding, increased tolerance and empathy
Brain boost: creative problem-solving, critical thinking, enhanced concentration and ability to multitask
Social skills: communication, collaboration, flexibility and innovation

FRENCH: THE world language
- Predicted to be the most commonly spoken language by 2050, thanks to growth in sub-Saharan Africa
- Already the top choice for second language learners, next to English
- France boasts the world’s FIFTH LARGEST ECONOMY
- French is a world language of choice for conducting business after only English and Chinese.
