Good Luck to Frank Goza and Gary Oates on Grant Submissions!

Frank Goza submitted an application to the Ohio Department of Education entitled, "Evaluation of a Closing the Achievement Gap Program." Gary Oates submitted an R03 application to NIH called "Self-Directed Work, Black Immigration, Race, and Psychological Functioning."

Grant Writing Workshop – March 21

The Office of Research Collaboration is presenting a Grant Writing Workshop on Friday, March 21st from 8:30 a.m. to 5:00 p.m. at the Holiday Inn Express Conference Center, Perrysburg. Workshop and registration information is available at this [link](#) under Upcoming Events.

ECLS/NHES Data Training Seminar at PAA – April 16

NCES will be conducting a 1-day training seminar on its early childhood studies on Wednesday, April 16 at the 2008 Annual Meeting of the PAA in New Orleans. This seminar provides researchers with tools for utilizing data the Early Childhood Longitudinal Studies (ECLS) and the National Household Education Surveys (NHES). The seminar is free of charge; however, space is limited so please register in advance. For more information or to register, [click here](#)

Environmental Demography Course – July 16-18, 2008

The University of Colorado Population Center and Institute of Behavioral Science are offering a summer short course that will provide an overview of the sub-discipline and several in-depth examples of central areas of research. Top scholars in the field will review both conceptual and methodological aspects of their research.
