### **Wisconsin Longitudinal Study Training**

> **WLS Training Workshop at PAA**, April 16, 2008, 3:30-5:30pm, Sheraton New Orleans Hotel Bayside B 4th Floor. The Wisconsin Longitudinal Study (WLS) is hosting a training workshop for anyone who wants to learn more about the WLS. We will talk about the history, contents, and future of the study and provide some suggestions on how to get started using the data.

> **2008 WLS Pilot Grant Program, Applications due May 27** - The Center for Demography of Health and Aging at the University of Wisconsin-Madison will award two to three pilot grants to investigators using the WLS data for scholarly research. Selected recipients will receive \$10,000 to support their research, along with a residency at CDHA, where they will receive training and support in use of WLS data. More info: <http://ssc.wisc.edu/wlsresearch/pilot/>
