### NCMR Workshop at ICPSR – July 24-25

#### ***"Using Secondary Data for Analysis of Marriage and Family"***

The National Center for Marriage Research is sponsoring a summer workshop that focuses on analyzing marriage and family research questions using four data sources: Fragile Families, National Longitudinal Study of Adolescent Health, National Survey of Family Growth, and the Survey of Income and Program Participation. The workshop will provide information about the advantages and challenges of using each data source to study marriage and family patterns and change. Data Sharing for Demographic Research at the University of Michigan will facilitate the workshop. More information is on the [NCMR web site](#).

---

### Penn State's Symposium on Family Issues – Oct. 23-24, 2008

#### ***"Development of Hispanic Children in Immigrant Families: Challenges and Prospects"***

The purpose of the 2008 Family Symposium will be to examine four arenas of research and policy that are significant in the development and well-being of children and youth in immigrant Hispanic families. [Click here](#) for the conference schedule and registration information.
