Annie E. Casey Releases Annual "Kids Count" Data
The Annie E. Casey Foundation just released new data on its "Kids Count" data center, including data down to the county and school district. The data are measures of hundreds of indicators of child well-being for cities, states, and the nation as a whole. Find this data here: http://datacenter.kidscount.org/.

Robert Wood Johnson Foundation Postdoc
The 2009-2010 Call for Applications for the Robert Wood Johnson Foundation Health & Society Scholars program has been released and is available at this link. This program provides two years of support to postdoctoral scholars at all stages of their careers.

Katie Kenney's Research Featured in *USA Today*
Katie Kenney was interviewed this week about work she presented at PAA on division of responsibility in parenting: http://www.usatoday.com/news/health/2009-05-04-equal-parenting_N.htm.

"Childhood: Changing Contexts"
An integrated approach to understanding childhood, using both micro and micro data, discussing social policy analyses but also theories on childhood and research on children. More information and online application form: http://www.sv.uio.no/oss/index.html

How to Submit an Electronic Grant Application on Grants.gov
The CFDR web site has helpful instructions on how to submit electronic grant proposals. There is a flowchart describing each step in the process, a chart with NIH due dates, a bio-sketch sample, and more. Take a look: http://www.bgsu.edu/organizations/cfdr/page34550.html.
