

CFDR Update: October 16, 2009

Finding Data Workshop – Monday, October 19

Finding Data for Your Paper, Thesis or Dissertation

Monday, October 19, Noon-1:00 pm

CFDR Conference Room, 7C Williams Hall

Heidi Lyons in the News!

CFDR Applied Demographer, Heidi Lyons, was interviewed this week on WTOL-TV news and by the *Sentinel-Tribune* about her research featured in our most recent Ohio Population News. The subject that captured the media's attention was the "Health and Well-Being of Young Adults." You can find the OPN at this [link](#) and the *Sentinel-Tribune* article [here](#).

CFDR Faculty Training Award – Applications due December 15

The purpose of the **CFDR Training Award** (TA) is to help BGSU researchers obtain additional training in analytic skills, new data collection methods, use of a specific data set, or application of software. We are seeking applications by December 15th but applications may be made at anytime.

Call for Applications: The National Mentoring and Training Program of the Center for Population Research in LGBT Health

The Center of Population Research is seeking applications from doctoral and advanced masters' students interested in careers in LGBT health research. Please visit icpsr.umich.edu/FENWAY/training/ to learn more and download an application. Contact Aimee Van Wagenen (mentoring@lgbtpopcenter.org) for further information. Applications for pre-doctoral mentoring are accepted on a rolling basis until February 15, 2010.

Call for Papers: Human Migration and the Environment – Submissions due December 11th

Special Issue of *Population and Environment*

Seeking papers that examine human migration as related to environmental context with the aim of enhancing contemporary dialogue regarding the potential migratory impacts of environmental change. Please submit questions to guest editors Susana Adamo (sadamo@ciesin.columbia.edu) and Haydea Izazola (haydeaizazola@gmail.com). Submitted manuscripts should be formatted in accordance with Population and Environment guidelines available in the journal or at www.springer.com.

Bill & Melinda Gates Foundation Grand Challenges Explorations: Call for Proposals due November 2, 2009

A \$100 million initiative to encourage bold and unconventional global health solutions. Anyone can apply, regardless of prior experience or institutional affiliation. Previous winners include graduate students, entrepreneurs at private companies, and creative thinkers from all fields of research. Initial grants will be \$100,000 each, and projects showing promise will have the opportunity to receive additional funding of up to \$1 million. Full descriptions of topics and application instructions are available at:

<http://www.grandchallenges.org/explorations>.

SAS, SPSS, STATA Programming Questions?

CFDR Data Analyst, Hsueh-Sheng Wu, is here to help. Stop by his CFDR office (5D Williams) any Tuesday or Thursday between 2:00 and 4:00 pm.
