---

### **International Academy of Family Psychology Conference – Call for Submissions**

The conference is scheduled for May 13-16 in Callaway Gardens, near Atlanta, GA, and the theme will be *"Families in a Changing World; Risks, Challenges, and Resilience."* The deadline for submissions is **January 30, 2010**. For more information, please visit: <http://www.iafpsy.org/>

---

### **PAA Annual Meeting Preliminary Program Now Available On-Line**

The list of sessions is on the program website <http://paa2010.princeton.edu>. Authors can edit the short (150-word) abstract until February 15, 2010 and final papers must be uploaded on the program website by March 2, 2010. The conference will take place April 15-17 in Dallas, Texas.

---

### **Call for Abstracts: National Research Conference on Child and Family Programs and Policies**

Bridgewater State College in Massachusetts invites research abstracts for both paper and posters for their 3rd National Research Conference on Child Family Programs and Policies. The conference will be held at the college on July 21-23, 2010. The call for abstracts will remain open until **February 21, 2010**. [Submission details](#).

---

### **Submit Your Proposal for the 2010 NCFR Annual Conference**

Proposal submission is now open online for the 2010 NCFR Annual Conference, Nov. 3-6, Minneapolis, Minnesota. All proposals are due **March 1, 2010**. See the “Call for Proposals” document for NCFR procedures and requirements for proposals: [NCFR Call for Proposals](#).

---

### **Reminder to the Add Health Users**

We are reorganizing the Add Health file share early next week. You will need to change the names of the directories when analyzing the Add Health to the new folder location. Further, we encourage you view the folder called “tips for analyzing Add Health Data” which is full of useful information targeted at Add Health users. A more detailed email regarding file share change will be send directly to approved users of the restricted data.

---

### **Programming Help Hours**

SAS, SPSS, or Stata programming questions? CFDR data analyst, Hsueh-Sheng Wu, is available to help Tuesdays or Thursdays between 2:00 and 4:00 pm. Stop by his CFDR office: 5D Williams.
