New Online Clearinghouse for State Child Welfare Policies

Child Trends has launched the [State Child Welfare Policy Database](#) to provide information on child welfare laws, procedures, and agency guidance for all 50 states and the District of Columbia. The database can help elected officials, administrators, advocates, practitioners, researchers, and other stakeholders keep up to date with the policies that protect our nation's most vulnerable children. For more information about child welfare resources available at Child Trends, please visit: www.childtrends.org/childwelfare.
