

CFDR Update: April 1, 2010

Speaker Series – Wednesday, April 7

Dr. I-Fen Lin

“Does Informal Care Mediate the Association between Functional Disability and Depression?”

Department of Sociology, BGSU

Wednesday, April 7, Noon-1:00 pm

Bowen-Thompson Student Union, Room 315

NICHD Funding Talk at the PAA Annual Meeting - Wednesday, April 14

Practical advice from successful applicants and NIH staff

7:15-8:30 p.m. Central Time; Cumberland F, Exhibition Level, Hyatt Regency Dallas

Revising your application is the key to getting funded: Only 20% of the research applications that the NICHD Demographic and Behavioral Sciences Branch funded in 2009 were funded the first time they were submitted. The remaining 80% of those funded were revisions. Learn the art of the revision from successful grantees, peer reviewers, and NIH review and program staff. No RSVP necessary.

2010 Workshops on Advanced Spatial Analysis – Applications due April 18

The Population Research Institute at Penn State and the Center for Spatially Integrated Social Science at UC-Santa Barbara are offering two summer workshops under the Advanced Spatial Analysis program (funded NICHD):

- Geographically Weighted Regression, July 12-16, 2010, University of California, Santa Barbara
- Spatial Pattern Analysis, July 19-23, University of California, Santa Barbara

More information and online application are at this link: <http://www.csiss.org/GISPopSci/>

Funding Opportunity for Child Care Research Scholars

The Office of Planning, Research and Evaluation (OPRE) recently published a discretionary funding announcement titled Child Care Research Scholars. The full announcement is available online at

<http://www.acf.hhs.gov/grants/open/foa/view/hhs-2010-acf-opre-ye-0004> . Applications are due **May 3, 2010**. Child Care Research Scholars grants are available to support dissertation research on child care policy issues.

Programming Help Hours

SAS, SPSS, or Stata programming questions? CFDR data analyst, Hsueh-Sheng Wu, is available to help Tuesdays or Thursdays between 2:00 and 4:00 pm. Stop by his CFDR office: 5D Williams.
