

CFDR Update: April 30, 2010

---

### **IPUMS Workshop June 22-24**

The workshop will be held at ICPSR at the University of Michigan. This training session will focus on three major databases: IPUMS-USA, IPUMS-International, and IPUMS-CPS, with reference to several other data development projects from the Minnesota Population Center. For more information, please visit <http://www.icpsr.umich.edu/icpsrweb/sumprog/courses/0123>

---

### **New Data: National Survey of Fertility Barriers (NSFB)**

The NSFB is a nationally representative survey of women age 25-45 (N=4,712) and their partners (N=936). The main aim of the NSFB study is to explore emotional and behavioral responses to reproductive barriers among women. For more information, please visit this link - <http://sodapop.pop.psu.edu/data-collections/nsfb>

---

### **Penn State's National Symposium on Family Issues (co-organized with the National Center for Family & Marriage Research)**

*"Early Adulthood in a Family Context"* - October 12-13, 2010, University Park campus

Sixteen top scholars in the field of family research convene to present and critique research on the focal topic and to consider their implications for effective programs and public policy. Conference program and registration info are at this [link](#).
