Fall Speaker Series begins September 1

Dr. Elizabeth Armstrong, Department of Sociology, University of Michigan

Wednesday, September 1, Noon – 1:00 p.m.

Bowen-Thompson Student Union, Room 314

Please see the [CFDR web site](#) for the full list of guest speakers this Fall.

National Science Foundation Day at University of Toledo – September 21

This one-day workshop will provide an overview of NSF, its mission, priorities, and budget. It will cover the NSF proposal and merit review process. Representatives from the seven NSF directorates and the Office of International Science and Engineering and the Office of Cyberinfrastructure will make presentations on their programs and will also be available informally and in breakout sessions for discussions of potential research proposals. The workshop will be held at the Dana Conference Center on the UT Health Science Campus.

There is a \$25 registration fee payable by cash or check the day of the event. Please register by Monday, **September 13**. http://www.nsf.gov/events/event_summ.jsp?cntn_id=117379&WT.mc_id=USNSF_13
