### **ICPSR Summer Undergraduate Internship Program – Applications due February 13, 2012**

The Inter-university Consortium for Political and Social Research (ICPSR) is accepting applications for its annual summer internship program. Interns spend ten weeks from June 4 - August 10, 2012, at ICPSR (Ann Arbor, Michigan). Learn more at this link: <http://www.icpsr.umich.edu/files/ICPSR/careers/internship-email-flyer.html>

---

### **Research Experience for Undergraduates – Applications due February 17, 2012**

The Population Research Center at The University of Texas at Austin is hosting the REU program in Immigration, Geography, and Race/Ethnicity in the U.S. for the summer of 2012. This 8-week summer program is specifically geared toward students with junior standing who are seriously thinking about attending graduate school in the social sciences and, particularly, in sociology, demography, or geography. Details about the program and application are at this link: <http://www.utexas.edu/cola/centers/prc/training-and-fellowships/undergraduate.php>.

---

### **Holiday Office Hours**

The CFDR will be closed December 23 through January 2.
