### **Opportunities at Child Trends**

- Graduate Internships: [Job description and application instructions](#)
- Research Analyst: More information at this [link](#)
- Qualitative Research Scientist: More information at this [link](#)

Child Trends is a nonprofit, nonpartisan research organization that studies children at all stages of development. Their mission is to improve outcomes for children by providing research, data, and analyses to the people and institutions whose decisions and actions affect children. For more information, visit their website at: <http://www.childtrends.org>.
